taste
winnipeg's culinary guide

PEGuru

Fanfare's unique media properties, which include **magazines** and **websites**, are highly sought after by those who want the best.

For three decades we have been helping consumers **find** the most notable shops, restaurants and leisure activities our city has to offer.

The Fanfare Philosophy

CREDIBLE EDITORIAL OPINION

Readers want recommendations on how to spend their time and money and are seeking out informed third-party endorsement they can trust. Unlike many other local magazines, Fanfare's editorial is not influenced by advertisers. All editorial is based on research and experience. It delivers precisely what readers need.

KNOWLEDGEABLE RESTAURANT REVIEWS

Ciao! reviewers have significant restaurant knowledge, visiting over 150 local restaurants each year assessing the local food scene. Restaurants are measured on:

- | | |
|---------------------|----------------------------|
| ■ FOOD TASTE | ■ FOOD PRESENTATION |
| ■ MENU | ■ TABLE SETTING |
| ■ SERVICE | ■ WELCOME |
| ■ ATMOSPHERE | ■ EXTRAS |

A review is only written after a minimum of three experiences. Those that don't meet quality standards are removed from the published database. Reviews that run in *Ciao!* are repurposed in *WHERE* and *Taste* for the benefit of visitors to Winnipeg.

Fusion Grill

DIRECTORIES OF THE BEST PLACES

Each year, our editorial team and contributors personally visit over 300 stores, restaurants and attractions and locally owned businesses are always given priority consideration for editorial inclusion in our editorial recommendations.

ESTABLISHED REPUTATION

Since 1984, Fanfare Magazine Group has been committed to publishing magazines with the best local content in the market. Today, President and Publisher Laurie Hughes continues to draw inspiration from her late husband (and founder) Brad Hughes to celebrate local flavour in the new media landscape.

Informed editorial opinions about the best of the city

where

WINNIPEG

The overnight travel market represents over **1.3M visitors/year**, compared to the local population of 800,000.

WHERE reaches travellers when they need information, resulting in **actionable results for your business.**
